Kia Ora

I give my full support to the attached a copy of the submission made by the Aviation Forum on the Civil Aviation Bill. It is thoughtful, comprehensive and raises the most significant issues in relation to the redrafting of this Bill. I trust the CAA will give it's full attention to addressing the issues raised. And that after making the quite substantial changes required that there will be a further opportunity for a comprehensive review by the affected parties before it moves forward

Kind regards Tim Dennis
